

# Glutolin T20 Smaragd

**Use:**

Universal wallpaper adhesive for vinyl, textured, embossed, woodchip and other heavy wallpapers as well as for non-woven wallpapers.

**Properties:**

- ready to use in 5 minutes
- with polymer adhesion reinforcement

**Technical data:**

Raw material base: starch ether, plastic powder and additives  
 Bulk density: approx. 440 kg/m<sup>3</sup>  
 pH value: < 11.5

**Substrate preparation:**

Substrate shall be dry, solid, strong, level, uniformly absorbent and free from adhesion-impairing substances (e.g. mould oil, grease, dust). Remove existing wallpaper. Repair cracks, holes and irregularities with Glutofill WG or Glutofill WF. Pretreat highly absorbent, friable and chalking substrates with Glutogrund LF.

**Application:**

1. Pour cold water (see table) into clean bucket
2. Stir water vigorously
3. Stir pack contents into water
4. After 5 minutes, thoroughly beat mix and apply

Application to wall covering:

Apply adhesive in required thickness to rear face of wallpaper. After prescribed soaking time, hang wallpaper strips with butted seams, pressing down evenly to remove entrapped air.

Application to substrate:

Dimensionally stable wall coverings that require no softening time can also be applied by wall-pasting method. To do this, apply adhesive generously and uniformly to substrate with short-pile lambskin roller. Place wall covering into adhesive bed and press down evenly to remove entrapped air.

For	Mixing ratio
Pre-pasting	1:40 (500 g in 20 ltr water, 1 kg in 40 ltr water)
Heavy wallpapers	1:20 (500 g in 10 ltr water, 1 kg in 20 ltr water)
Lightweight wallpapers	1:30 (500 g in 15 ltr water, 1 kg in 30 ltr water)

Observance of wallpaper manufacturer's application guidelines is essential.

**Note:**

Do not use at building fabric and room temperatures below +5 °C. Immediately wash off adhesive residue with fresh water and rub down with dry cloth. Wash tools with water after use.

Please consult safety data sheet for safety-relevant data. Up-to-date safety data sheets are available from our website at [www.glutolin.de](http://www.glutolin.de) or from [sds@glutolin.de](mailto:sds@glutolin.de).

**Storage and disposal:**

Store in cool, dry place, out of reach of children. Adhesive residue may be disposed of as domestic waste. Dispose of empty Glutolin packaging as waste paper for recycling.

Item No.	EAN	Container size
022104074	4044899221043	500 g
022105074	4044899221050	1 kg
